

TopFlex, SideFlex & RGBW

The NeoVision24™ product line is a 24VDC flexible linear 'neon' tape designed for applications that require ultra-rich light and color saturation that is characteristic of neon. SideFlex enables horizontal bending and TopFlex enables vertical bending that conforms tape around curvilinear surfaces.

Specification-At-A-Glance

ELECTRICAL

- 3.0 watts per foot
- 4.3 watts per foot (RGBW)
